## 1057 Linden | Wilmette

A home you'd expect to find on the English countryside! This lovely single-family home is set on a sun-kissed corner lot in east Wilmette. The freshly painted interiors and bright sun-filled spaces take you in at first glance, but it's the beautiful built-ins, wide crown moldings and elegant millwork embellishments that are a true sign of the home's fine quality. The roof was replaced in 2006 and high-efficiency furnace installed for excellent energy conservation. Other recent improvements include new washer/dryer, carpeting in the finished basement, new attic windows and full exterior paint job. The house also features an attractively designed eat-in kitchen, wood-burning fireplace in the living room, new bathroom on the lower level and gorgeous hardwood floors throughout.
